

MUSEUM QUALITY WOODEN MODEL

GRAND BANKS 46 CLASSIC YACHT

AMATI

*Enjoy this beautiful wooden model
of the famous Grand Banks 46 Classic yacht.*

The spacious living quarters aboard the Grand Banks 46 Classic provide ample room for comfortable long-range cruising.

With top speed exceeding 20 knots, the 46CL is an ideal yacht to get you quickly to your favorite cruising destination.

Safety and reliability are, of course, a built-in Grand Banks tradition.

Wide walk-around decks, aft cockpit, and well-equipped steering and navigation stations both on the flybridge and in the salon are all part of the package.

There are countless attributes of a Grand Banks that contribute to its reputation as one of the most reliable, high-quality yachts designed and built for cruising.

Kit includes:

*laser cut wooden parts,
double planking,
deck planking,
metal and wooden parts,
photoetched brass details,
mast and rigging; flag,
cabin internal details,
detailed instructions and plans.*

Tutta la parte superiore della cabina è facilmente asportabile per accedere all'interno del modello. La fotografia illustra la cabina in fase di avanzata costruzione, staccata dallo scafo del modello.

All the top of the cabin is easy to remove to give free access to the interior in order to fit batteries, motors and RC components.

Il kit include: chiglia, ordinate, ponti e accessori in legno tagliato al laser; doppio fasciame; rivestimento ponti; parti in metallo e in legno; dettagli in ottone fotoinciso; alberatura e manovre; interni cabina; istruzioni e piani di costruzione dettagliati.

Scala 1:20

Lunghezza totale cm. 79,5

Per un'autonomia ideale consigliamo l'installazione di due motori RS540 dotati di riduttore ad ingranaggi. Il kit di motorizzazione: 2 motori, scatole ingranaggi, assali e tubetti, sarà disponibile a parte.

We suggest to install two electric motors RS540 with reduction gears for a great endurance. The motor kit with two electric motors, shafts, tubes, gear boxes, is not included in the boat kit.
